

The background is a dark charcoal grey color, densely populated with various abstract, organic shapes in bright colors. The colors include shades of blue, teal, green, yellow, orange, red, purple, and pink. The shapes are irregular and fluid, resembling splatters, drips, or stylized calligraphic marks. Some shapes are solid, while others are hollow or have a double-line effect. The overall effect is vibrant and playful.

ABOUT US

Efes Play, which has many playgrounds and products in the world, has become an international leader with 22 years of experience in turnkey playground design & supply & production.

Efes Play is the first indoor playground manufacturer in Turkey that produces in accordance with European standards and exports to all over the world.

All the equipment we use in our playgrounds comply with safety and quality standards and can be certified by international standards and audits at the end of the project.

Efes Play offers safe, developmental, supportive, colorful and creative indoor playgrounds for children and fun and adventurous trails for older age groups.

Within our forward-looking corporate vision, we continue to offer innovative designs and product groups to our entire customer portfolio and potential customers.

We believe that Efes Play is the right partner for you and your business!
